Dear Commissioner Saunders, County Commissioners, Planning Commissioners, and
County Staff,

We understand that Destiny Church has submitted an application to more than triple
their current facilities at the west end of Hidden Oaks Lane.

As a homeowner in the Oakes Estates neighborhood, I am adamantly opposed to any
expansion of the Destiny Church facilities and activities. We understand that the
previously-approved Standing Oaks PUD is now imminent and will be adding hundreds
and hundreds of vehicles per day to Oakes Blvd.

I am concerned about the additional traffic that will be generated by Destiny Church, as
evidenced by the county's requirement for turn lanes both northbound and southbound
from Oakes Blvd onto Hidden Oaks Lane as well as the recommendation for Sheriff's
Deputy-directed traffic for church services.

We also understand that even at its current size, Destiny Church already has had
significant detrimental impacts on adjacent homeowners due to music, noise, and high
volumes of cars almost every night of the week. As Destiny Church is committed to
continued growth, I do not believe they should be allowed to infringe on our roads and
adjacent homeowners any more than they already have. If Destiny Church wants to
grow as it clearly intends, it needs to find another location that is not down a tiny side
street in the middle of a residential community.

Please deny the church's application for expansion of any kind.

Sincerely,
